Subject: Notice of File Closure, Martinique Mining Company, Milla' Martinique Mill Site, S0170046, Task 2343, Garfield County, Utah

Dear Mr. Wilson:

The Milla' Martinique small mining permit, file number S0170046, located in Garfield County, Utah, will now be closed and the file retired.

On May 12, 2008, a site inspection was performed and it was determined that the site has satisfactorily been reclaimed and can be fully released. No surety has been held for reclamation of this mine. We have received concurrence from the BLM that they agree with the file closure.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(ies), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5320 or Paul Baker (lead) at (801) 538-5261. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Dana Dean, P. E.
Associate Director of Mining
